Delisting fears...

A major indicator for the maturation of the crypto eco-system is the delisting of token from exchanges. Weather good or bad, it's a clear signal that more serious tokens should take center stage. Projects with unkept promises and terrible burn rates are starting to show.

The StellarX DEX aims to list crypto, fiat, bonds and more.

Website strapline: "Introducing StellarX, a user-friendly, peer-to-peer marketplace. We're free, fast, and list every asset class imaginable. Crypto, fiat, bonds, commodities, and More." [Link](#)
